

Notice under Regulation 11 of the Local Authorities (Executive Arrangements) (Access to Information) (England) Regulations 2012

Notice is hereby given that the Chairman of the Improvement and Scrutiny Committee - Resources has agreed that the following Key Decision, which will be considered at the meeting of the Cabinet scheduled for 17 November 2022, is urgent and cannot reasonable be deferred:

Title of Report: Mosaic Social Care Management System migration of system to supplier hosted service

To seek approval for funding for the provision of a hosted Social Care Management Solution.

Reasons why the decision is urgent and cannot reasonably be deferred:

Any delay likely to be caused by the call-in process would delay a contract and extend the project beyond the timelines imposed. The supplier is facing significant demand for these services and any delay could result other customers being provisioned before the Council and a further extension to the timeline
