4. Requisition for a meeting of the Improvement and Scrutiny Committee  
- People

In pursuance of Rule 4 of Appendix 5 of the Derbyshire County Council Constitution Councillors R George, S Burfoot and C Dale have signed a requisition to the Chairman of the Improvement and Scrutiny Committee – People to call an extraordinary meeting as follows:

Purpose of the requisition

On the 14 November 2024 Ofsted published its Area SEND inspection report of the Derbyshire Local Area Partnership where it detailed its finding of “widespread and/or systemic failings leading to significant concerns about the experiences and outcomes of children and young people with special educational needs and/or disabilities (SEND), which the local area partnership must address urgently”.

That report comes shortly after the publication of the Local Government and Social Care Ombudsman’s annual review letter which identified multiple cases of fault by this authority in the way it administered complaints involving SEND.

Both reports detail serious failings in the way the authority discharged its responsibility to children and young people with SEND with Ofsted concluding “...that their needs have not been met for far too long”.

The purpose of the meeting is to ensure the Committee fulfils its role of holding the authority to account, help secure the efficient delivery of council services, and drive improvements, and in particular its role and functions as set out in Appendix 8 of the Constitution.

Amongst other things the meeting will:

- Invite the Cabinet Member and the temporary Executive Director for Children’s Services to attend and inform the Committee of the findings and recommendations contained in the Ofsted report, particularly those that directly appertain to the council;
- Receive an explanation from the Cabinet Member and temporary Executive Director for Children’s Services as to why the council and the local area partnership allowed the situation

detailed in the report to arise and why it then allowed the needs of children and young people to go unmet for so long.

- Satisfy itself that the authority takes those finding seriously and assess whether the authority sees that report “as a pivotal opportunity for reflection, healing, and ultimately, progress”;
- Allow the Committee to be informed of, and assess and comment on, the adequacy of the measures the Cabinet Member is proposing to take or is already taking in order to secure rapid improvement in the SEND provision and outcomes for children and young people;
- Determine how the Committee shall proceed to scrutinise and hold to account the Cabinet Member as he and the local area partnership prepare to submit a priority action plan as required by Ofsted.

The next scheduled meeting of this Committee is the 26th February 2025. Given the grave nature of Ofsted’s findings and recommendations, and of its requirement that urgent steps are taken to address the identified areas for priority action and areas for improvements, it would not be appropriate for this Committee to wait 3 months before having the opportunity to consider this report or this issue which affects the county and its inhabitants.

## **Procedure for Public Questions at Improvement and Scrutiny Committee meetings**

Members of the public who are on the Derbyshire County Council register of electors, or are Derbyshire County Council tax payers or non-domestic tax payers, may ask questions of the Improvement and Scrutiny Committees, or witnesses who are attending the meeting of the Committee. The maximum period of time for questions by the public at a Committee meeting shall be 30 minutes in total.

### **Order of Questions**

Questions will be asked in the order they were received in accordance with the Notice of Questions requirements, except that the Chairman may group together similar questions.

### **Notice of Questions**

A question may only be asked if notice has been given by delivering it in writing or by email to the Director of Legal Services no later than 12noon three working days before the Committee meeting (i.e. 12 noon on a Wednesday when the Committee meets on the following Monday). The notice must give the name and address of the questioner and the name of the person to whom the question is to be put.

Questions may be emailed to [democratic.services@derbyshire.gov.uk](mailto:democratic.services@derbyshire.gov.uk)

### **Number of Questions**

At any one meeting no person may submit more than one question, and no more than one such question may be asked on behalf of one organisation about a single topic.

### **Scope of Questions**

The Director of Legal Services may reject a question if it:

- Exceeds 200 words in length;
- is not about a matter for which the Committee has a responsibility, or does not affect Derbyshire;
- is defamatory, frivolous or offensive;
- is substantially the same as a question which has been put at a meeting of the Committee in the past six months; or
- requires the disclosure of confidential or exempt information.

## **Submitting Questions at the Meeting**

Questions received by the deadline (see **Notice of Question** section above) will be shared with the respondent with the request for a written response to be provided by 5pm on the last working day before the meeting (i.e. 5pm on Friday before the meeting on Monday). A schedule of questions and responses will be produced and made available 30 minutes prior to the meeting (from Democratic Services Officers in the meeting room).

It will not be necessary for the questions and responses to be read out at the meeting, however, the Chairman will refer to the questions and responses and invite each questioner to put forward a supplementary question.

## **Supplementary Question**

Anyone who has put a question to the meeting may also put one supplementary question without notice to the person who has replied to his/her original question. A supplementary question must arise directly out of the original question or the reply. The Chairman may reject a supplementary question on any of the grounds detailed in the **Scope of Questions** section above.

## **Written Answers**

The time allocated for questions by the public at each meeting will be 30 minutes. This period may be extended at the discretion of the Chairman. Any questions not answered at the end of the time allocated for questions by the public will be answered in writing. Any question that cannot be dealt with during public question time because of the non-attendance of the person to whom it was to be put, will be dealt with by a written answer.
