To: Members of Cabinet Member meeting - Strategic Leadership, Culture and Tourism

Thursday, 30 January 2020

Dear Councillor,

Please attend a meeting of the **Cabinet Member meeting - Strategic Leadership, Culture and Tourism** to be held at **10.00 am** on **Friday, 7 February 2020** in Committee Room 3, County Hall, Matlock, DE4 3AG, the agenda for which is set out below.

Yours faithfully,

A handwritten signature in black ink, appearing to read 'S Hobbs', written over a light blue horizontal line.

**Simon Hobbs**  
**Director of Legal and Democratic Services**

## **A G E N D A**

### **PART I - NON-EXEMPT ITEMS**

1. Apologies for Absence  
To receive apologies for absence (if any)
2. Declarations of Interest  
To receive declarations of interest (if any)

3. Minutes (Pages 1 - 6)

To confirm the non-exempt minutes of the meeting of the Cabinet Member – Strategic Leadership, Culture and Tourism held on 23 January 2020.

4. To consider the report of the Executive Director of Economy, Transport and Environment on:

4 (a) Festival of Derbyshire - Update and Resourcing Requirements (Pages 7 - 12)

4 (b) Withdrawal of Award of Grants to External Recipients Vital Valley (Heritage Lottery Fund Great Place Scheme) and the Procurement of Commission (Pages 13 - 16)

5. Exclusion of the Public

To move “That under Regulation 21 (1)(b) of the Local Authorities (Executive Arrangements) (Access to Information) (England) Regulations 2000, the public be excluded from the meeting for the following items of business on the grounds that they involve the likely disclosure of exempt information as defined in Paragraph(s)... of Part 1 of Schedule 12A to the Local Government Act 1972”

**PART II - EXEMPT ITEMS**

6. Declarations of Interest

To receive declarations of interest (if any)

7. Minutes (Pages 17 - 18)

To confirm the exempt minutes of the meeting of the Cabinet Member – Strategic Leadership, Culture and Tourism held on 23 January 2020.

8. To consider the report of the Executive Director of Commissioning, Communities and Policy on Approval to Procure "A New Model of Local Government collaboration for Derbyshire - Phase 2 Non-Structural Reform" From a Non-DCC Framework (copy to follow)

PUBLIC

**MINUTES** of a meeting of the **CABINET MEMBER FOR STRATEGIC LEADERSHIP, CULTURE AND TOURISM** held on 23 January 2020 at County Hall, Matlock

**PRESENT**

Cabinet Member – Councillor B Lewis

Also in attendance – Councillor R Flatley

**1/20** **MINUTES RESOLVED** that the minutes of the meeting held on 6 December 2019 be confirmed as a correct record and signed by the Cabinet Member.

**2/20** **CHANGES TO LIBRARY OPENING HOURS** At its meeting on 20 December 2018, Cabinet gave approval to implement the Derbyshire Public Library Service Strategy. Included in the strategy were proposals to transfer 20 libraries, and the mobile library service, to community management.

While the process for transferring 20 libraries to a community managed model was progressing in nine locations, in eleven locations no formal expressions of interest had been received to date. In approving the Strategy Cabinet agreed that where there were no initial expressions of interest from communities, by October 1 2019, the opening hours in those libraries would be standardised at 18 hours per week. This proposal would be subject to a further period of public consultation. A period of public consultation about proposed changes to opening hours at the following libraries, all of which were open more than 18 hours per week, was undertaken:

1. Brimington
2. Clowne
3. Creswell
4. Duffield
5. Gamesley
6. Killamarsh
7. Somercotes

The consultation sought to obtain responses on two proposed options to change opening hours, together with any other alternative suggestions that consultees wished to make. A total of 144 responses had been received to the consultation, while the proposed reductions to opening hours elicited positive comments about the value of the library service, unsurprisingly a number of

respondents were opposed to the proposed changes. However, there were no alternative proposals put forward for the majority of locations and no alternative suggestions about how savings could be made from the library service budget.

At Brimington Library a number of respondents commented that there was a story time on Thursday morning which was very well attended and also that they did not want the library closed for two consecutive days. In light of these comments, the proposal for Brimington had been amended so that the library would be open on both Tuesday and Thursday mornings, to accommodate the children's story time, and to avoid closure for two consecutive days.

Details of existing opening hours and the proposed changes were attached at Appendix 1 to the report. When implementing the changes to opening hours, staffing levels in libraries would be changed and aligned with the proposed levels of service. Library opening hours would change with effect from 6 April 2020.

The following libraries were currently open for less than 18 hours per week and although no changes were proposed to their opening hours staffing levels had been reviewed so that they more accurately reflected levels of usage.

1. Hadfield
2. Holmewood
3. Whitwell
4. Pinxton

**RESOLVED** to approve the implementation of the proposed changes to library opening hours, as outlined in appendix one of the report, and the associated staffing levels.

**3/20      AWARD OF GRANTS TO EXTERNAL RECIPIENTS – VITAL VALLEY** The County Council, on behalf of the Derwent Valley Mills World Heritage Site (DVMWHS) Partnership, had accepted a grant offer from the Heritage Lottery Fund (now the National Lottery Heritage Fund – NHLF) for a Great Place Scheme in the DVMWHS.

The Great Place Scheme included the Experiment Fund for heritage, arts and cultural organisations within the DVMWHS to experiment with projects that could lead to sustainable income generation in the future. The Experiment Fund had a total grant of £75,000 from the NLHF and £10,000 contribution from applicants.

Details of the applications that had been received were provided and approval was sought to award grants to the external recipients.

**RESOLVED** to (1) approve the award of grants, from the accepted National Lottery Heritage Fund grant of £1,285,800 for the 'Vital Valley' Great Place Scheme to:

- £20,000 to The Arkwright Society Ltd
- £19,920 to Derby QUAD Ltd
- £19,800 to Derbyshire County Council Countryside Service
- £2,138 to Wirksworth Civic Society
- £490 to Derwent Valley Mills Heritage Site Educational Trust
- £446 to Friends of the Cromford Canal,

totalling £62,794 from the grant of £75,000 from the National Lottery Heritage Fund approved for the Experiment Fund.

(2) monitor and measure the success of the scheme and its' returns and to report back in 6-12 months.

**4/20      BUDGET MONITORING 2019-20 – PERIOD 7 (AS AT 31 OCTOBER 2019)** The net controllable budget for the Strategic Leadership, Culture and Tourism portfolio was £12.825m. The Revenue Budget Monitoring Statement prepared at period 7 indicated that there was a projected year-end underspend of £0.256m. The significant areas which made up this projection were highlighted and the key variances were as follows:-

Communications – underspend £0.072m

The main underspends related to Your Derbyshire, now having 3 copies per year instead of 4; and IT Hardware and Software – procurement of new contracts using the Derbyshire Framework.

Policy and Research – underspend £0.176m

The main underspends related to staff vacancy and VCS grant to Bolsover CVP (no longer in operation).

Call Derbyshire – underspend £0.134m

The underspend related to high staff turnover due to employees gaining experience and moving on to posts with the Council for promotional purposes.

Tourism and Twinning – underspend £0.057m

The underspend was due to a vacancy which had not been filled. The full year effect would eliminate this underspend in future years.

Heritage – overspend £0.063m

The overspend was due mainly to the Environmental Studies Service which had been allocated a budget saving of £0.120m in 2018-19 that had not yet been fully achieved.

Budget reductions totalling £0.760m had been allocated for the year. It was forecast that £0.760m of savings will have been achieved by the year-end. There were £0.120m of savings identified in the previous year for the Environmental Studies Service of which £0.034m had been achieved. Details of the performance against the target were presented.

The portfolio had received the following additional budget allocations in 2019-20:

- (i) Thriving Communities £0.368m (on going)  
Funding to concentrate on three priorities in respect of rolling out the Council Plan commitment across Derbyshire: radically reshaping demand, unlocking community potential and creating an alliance for work and skills. This was to replace one off funding from reserves and was due to be spent in year.
- (ii) Enterprising Council £0.094m (on going)  
Support for this programme of transformational change, which would affect the whole organisation and was a Council Plan commitment. It was expected that £0.094m would be spent in year.
- (iii) Community Managed Libraries £0.742 (one off)  
Funding for the Council Plan commitment to introduce community managed libraries over the next 5 years.

Earmarked reserves totalling £3.206m were currently held to support future expenditure and details of these reserves were presented.

**RESOLVED** to note the report.

**5/20**      **EXCLUSION OF THE PUBLIC** **RESOLVED** to exclude the public from the meeting during the consideration of the remaining items on the agenda to avoid the disclosure of exempt or confidential information

### **SUMMARY OF PROCEEDINGS CONDUCTED AFTER THE PUBLIC WERE EXCLUDED FROM THE MEETING**

1. To consider the exempt report of the Executive Director Economy, Transport and Environment on a request for additional funding for Creswell Heritage Trust (contains information relating to the financial or

business affairs of any particular person (including the Authority holding that information))

**DERBYSHIRE COUNTY COUNCIL**

**MEETING OF CABINET MEMBER – STRATEGIC LEADERSHIP, CULTURE  
AND TOURISM**

**7 February 2020**

Report of the Executive Director – Economy, Transport and Environment

**FESTIVAL OF DERBYSHIRE – UPDATE AND RESOURCING  
REQUIREMENTS**

(1) **Purpose of Report** To report on progress of the Festival of Derbyshire and consider resources required to deliver the festival activity as agreed at the meeting of the Cultural, Heritage and Tourism (CHAT) Board on 17 December 2019.

(2) **Information and Information**

**Background**

The visitor economy is acknowledged as one of the key growth sectors within Derbyshire, with the sector worth £2.15bn gross value added (GVA) per annum in Derbyshire (2017 figures) and growing.

The CHAT Board was established in June 2018, with a primary focus to ensure that visitor assets, infrastructure, products and services both complement the experience and meet the expectations of Derbyshire's visitors, investors and residents.

In May 2019, members were updated on the progress of the CHAT Board and approved recruitment of a full time Senior Economic Development Officer post, on a three year fixed term contract, to manage the development of the Board and delivery of the CHAT Action Plan.

The new Senior Economic Development Officer (CHAT) was appointed and started in late October 2019 and has since been working to move forward the Board and Council's strategic priority, the development and delivery of the Festival of Derbyshire.

Through auditing Derbyshire's rich cultural and heritage offer, pulling out strong elements and curating them under key themes/visitor motivations, a Festival Framework has been devised which has been used to consult with key partners and stakeholders. The response has been positive and, following

sign off from the Project Steering Group, was endorsed by the CHAT Board at the meeting held on 17 December 2019.

### **Overview of the Festival**

The Festival of Derbyshire (FoD) will celebrate Derbyshire's distinctive culture and world class offer and start to tell the Derbyshire Story, based on its "People, Places and Products", marking some key milestones and historically relevant anniversaries during the period that help illustrate and bring the story to life.

The Festival will be delivered through a high profile campaign, with activities commencing in May 2020. The Festival will help present Derbyshire to wider national and international audiences, encouraging day visitors to become staying visitors, but will also target local audiences, helping local people discover and engage with what's on their doorstep and encouraging them to become ambassadors for Derbyshire's visitor offer.

The Festival will be presented under three seasons, with monthly themes and key messaging created within each season. It is hoped that some of the sub-brands will remain as a legacy and repeated in future years.

The Festival will highlight the rich offer throughout the festival period (May – December 2020) with resourcing concentrated on the shorter season, to support wider objectives to extend this season.

Key anniversaries within the festival period will, where possible, be marked or signposted. There are a number of significant milestones in 2021 that fall out of the festival period, but will be incorporated within the narrative to promote a sustainable legacy and ensure the Festival can be used as a launch pad for celebrations in 2021 and beyond, including the proposed County of Culture initiative.

### **Festival Framework**

#### **Health and Well-Being : May-July 2020**

- May: 'Derbyshire Cares' (title still under consideration) - Florence Nightingale is truly a global figure, with significant reach, so celebrating the bicentenary of Florence Nightingale's birth and her relationship with Derbyshire is a great way to launch the festival, highlighting Derbyshire's rich heritage of health and well-being, including spa towns.
- June: 'Walk of Art' – shining a light in the wealth of art within the landscape, both historical and contemporary, focussing on trails, walks and cycle routes alongside literature in the landscape.
- July: 'Sounds of Derbyshire' will concentrate on Derbyshire's rich and diverse music offer, from world class opera to heavy metal and everything in between.

### **Places : August-September 2020**

- August: 'Country Fayre' will focus on local food and drink produce and country shows, such as Ashover, Hope and Chatsworth Country Fair.
- September: 'Streets Alive' concentrates on Derbyshire's Market Towns and will focus on encouraging visitors to Derbyshire's towns, to shop and take part in events at Melbourne, Wirksworth, New Mills, Chesterfield, Derby Feste, etc.

### **Making (with focus on People and Products): October-December 2020**

- October: 'Derbyshire Treasures/Home Made Delights' highlighting Derbyshire's museums, artefacts and industrial heritage.
- November-December: 'Made in Derbyshire' will put the spotlight on Derbyshire's highest quality artisans and makers, in particular those who are part of the tourism supply chain, highlighting markets, fairs, open studios, and opportunities to 'make and stay'.

### **Marketing Campaign**

Marketing Peak District & Derbyshire (MPDD), with steer from the Council's Communication team, is responsible for delivering the marketing and social media campaign, and have recently tendered and appointed "The Way Design" agency to develop the creative proposals of this work package. It is expected that it will present preferred options for the creative campaign, for endorsement by the FoD Project Steering Group at its meeting on 29 January 2020. The campaign and branding toolkit will be worked up in February, ready for launch in early March.

### **Festival Content and Key Activities**

Much of the festival will focus on curating and profiling existing activities. Some new activity will also be developed and supported, where there are identified gaps in provision or significant opportunity to build audiences or product. The following activities are proposed. Further negotiation and development work, including partner sign up and external funding, will be required to realise them.

**Derbyshire Cares (Title to be confirmed)** - A series of activities to mark Florence Nightingale's bicentenary and celebrate the world-wide community of nurses and midwives, including a launch event, vouchers and special offers to our nurses and potentially mass participation project – 'a thank you letter', or 'light-up our world'

**The Derbyshire Way** – A week long young person's walking/cycling challenge in early/mid-June, to mark the 'Derbyshire Way' – a route from lowest point (Shardlow) to highest point (Edale) spanning 65 miles, with much of the route travelling through the Derwent Valley Mills World Heritage Site, and young people/schools encouraged to engage with key sites as they travel

through. Once the route has been established, a challenge will then be set for the general public.

**Take Part Derbyshire** – Volunteers will be a vital component of the festival providing much needed stewardship and ownership at a local level. Approximately 20 million people in the UK participate in volunteering in some way, so a significant audience, as well as a strong community of ambassadors. The festival provides an opportunity to both celebrate and support volunteering through the setting up of a sector wide volunteer digital platform, setting a challenge to secure 2020 volunteer hours to mark the festival, skills building, through County Council Volunteer Passport/European Region Development Fund (ERDF) workforce programmes plus a a celebration/awards event at the end of the festival.

**Made in Derbyshire** – “Making” is significant within Derbyshire’s industrial and cultural heritage, as well as its contemporary identity, so a really important part of the Derbyshire story. The opening of the Museum of Making to coincide with the 300<sup>th</sup> anniversary of the Silk Mill provides a strong focus to launch season 3 and link sites, activities and product promotion, including a short 2-3 day Festival of Making, across museum and heritage sites and development of quality mark for tourism and culture businesses.

(3) **Financial Considerations** A budget of £43,500 has been forecast (£13,500 for creative proposal, £30,000 for marketing activities) for the entire branding, social media marketing campaign. The contracts will be let by MPDD and then reimbursed during 2019-20 by the Council.

Following on from this, it is estimated that another £46,500 will be required in 2020-21 to deliver festival activities, as set out in the report. It is envisaged that the budget allocated will be used to support external funding applications to deliver specific activity where possible.

The total of the Festival of Derbyshire is set to be £90,000 over the period (which spans two financial years) and can be met from the Economic Regeneration budget.

(4) **Social Value Considerations** The objectives of the CHAT Board is to develop Derbyshire’s unique and distinctive cultural and environmental offer to promote economic growth and quality of life people who visit, invest, live and work in the County. The FoD will contribute directly to this objective through encouraging visitors to the county whilst developing a sense of pride and ownership within Derbyshire’s communities.

## **Other Considerations**

In preparing this report the relevance of the following factors has been considered: legal, prevention of crime and disorder, equality and diversity, human resources, environmental, health, property and transport considerations.

(5) **Key Decision** No.

(6) **Call-In** Is it required that call-in be waived in respect of the decisions proposed in the report? No.

(7) **Background Papers** Held on file by the Economic Regeneration Service within the Economy, Transport and Environment Department.

(8) **OFFICER'S RECOMMENDATIONS** That the Cabinet Member:

- 8.1 Notes the progress to date of Festival of Derbyshire with further progress to be reported on a quarterly basis or when required.
- 8.2 Approves the estimated budget of £90,000 for delivery of the Festival of Derbyshire.

**Executive Director – Economy, Transport and Environment**

This page is intentionally left blank

**DERBYSHIRE COUNTY COUNCIL**

**MEETING OF CABINET MEMBER – STRATEGIC LEADERSHIP, CULTURE  
AND TOURISM**

**7 February 2020**

Report of the Executive Director – Economy, Transport and Environment

**WITHDRAWAL OF AWARD OF GRANTS TO EXTERNAL RECIPIENTS  
VITAL VALLEY (HERITAGE LOTTERY FUND GREAT PLACE SCHEME)  
AND THE PROCUREMENT OF COMMISSION**

(1) **Purpose of Report** To update the Cabinet Member on the withdrawal of grants to external recipients and inform the Cabinet Member that Derbyshire County Council, on behalf of the Derwent Valley Mills World Heritage Site (DVMWHS) Partnership, will commission the Options Appraisal and Feasibility Study for a visitor attraction as part of Strutt's North and East Mills in Belper.

(2) **Information and Analysis** In accordance with Financial Regulations, all grants to external recipients must be approved and a departmental register maintained. Grants are payments of funds for a specific purpose. Examples include contributions towards an external party's core running costs, purchase or construction of specified assets, and the running of specific events.

There is now, also, a requirement under the Local Government Transparency Code 2014 to publish information on grants awarded to voluntary, community and social enterprise organisations.

Derbyshire County Council, on behalf of the DVMWHS Partnership, accepted a grant offer from the Heritage Lottery Fund (now - National Lottery Heritage Fund (NLHF)) for a Great Place Scheme in the DVMWHS. The Great Place Scheme included "Old Spaces, Creative Futures", a project to facilitate a co-ordinated approach to the regeneration of the Belper Mills complex, particularly the North and East Mills. The project aimed to develop new ideas for these significant historical buildings in Belper to benefit businesses and residents through a re-development to increase cultural opportunities and secure the economic future of the buildings. The NLHF approved these activities in the Great Place Scheme. The project commenced in 2018, as part of the Great Place Scheme. All Great Place Scheme activities must be completed by December 2020 in accordance with the NLHF terms of grant.

The DVMWHS Partnership Co-ordination Team, through the Great Place Scheme, agreed with the NLHF, that an Options Appraisal and Feasibility Study is required to review the viability and form of the visitor offer housed on the North and East Mills site and that the study should be undertaken in consultation with Belper North Mill Trust (BNMT), FI Real Estate Management (FI) and Amber Valley Borough Council (AVBC). BNMT is the operator of the accredited museum housed in the North Mill. FI is the property management company for the landowner of the North and East Mills site. AVBC is the local planning authority for the North and East Mills site.

Through discussion with relevant stakeholders, and specifically NLHF, it has become clear that the commissioning organisation needs to demonstrate clear lines of responsibility to the production, co-ordination and delivery of DVMWHS's Management Plan, which in this instance is the DVMWHS Partnership.

The DVMWHS Partnership is a coalition of stakeholders and includes representatives from the relevant statutory and local authorities, BNMT and AVBC. The work of the Partnership is supported and facilitated by the DVMWHS Partnership Co-ordination Team, hosted by the County Council.

The "Old Spaces, Creative Futures" project has considered various options for the commissioning of the Options Appraisal and Feasibility Study between members of the DVMWHS Partnership and through discussion, it is considered that responsibility for the work is better aligned to the work of the Board as a whole, rather than one of the individual partners.

As part of the wider discussion, consideration was also given to options for grant funding awards based on the organisational roles of BNMT and AVBC:

#### **1) Belper North Mill Trust**

At the meeting of the Cabinet Member - Strategic Leadership, Culture and Tourism on 25 March 2019, it was agreed that a grant up to a maximum of £75,000 should be provided to BNMT (Minute No. 07/19 refers). This was to commission appropriately experienced and qualified consultants to undertake a feasibility and options appraisal report for a World Heritage Site visitor facility on the North and East Mill site in Belper. The report needed to identify potential funding sources and operational requirements. The award also covered further consultancy support to implement actions from the report. BNMT has agreed to the withdrawal of the £75,000 grant to facilitate the commission by the DVMWHS Partnership, although the Trust will continue to be an active participant in delivery of the work as the operator of the accredited museum housed in the North Mill.

## **2) Amber Valley Borough Council**

A grant was awarded under delegated powers, by the Executive Director – Economy, Transport and Environment, in a report dated 19 August 2019 to Amber Valley Borough Council (AVBC) to a maximum of £40,000 for Feasibility and Options Appraisal report for visitor attraction and development of Strutt's North Mill Museum, Belper, as a visitor attraction for the DVMWHS. This option was to replace BNMT as the lead body to commission the Options Appraisal and Feasibility Study. BNMT was informed of the change. Changes in the County Council's Constitution (27 May 2019) provided Executive Directors greater powers to take decisions that previously would have been taken at either Cabinet or a Cabinet Member meetings. Through active discussion, it has been agreed that AVBC is not best placed to lead on the commissioning of the work but instead will be an active participant in the work to ensure economic and cultural opportunities are explored fully.

Derbyshire County Council will now commission the Options Appraisal and Feasibility Study on behalf of the DVMWHS Partnership (using Protocol 7(B) of the County Council's Financial Regulations). The DVMWHS Partnership Co-ordination Team, which is hosted by Derbyshire County Council, will lead on procurement and management of the delivery of the commission through the Great Place Scheme. The NLHF supports this approach to ensure that the grant for the Great Place Scheme facilitates a suitable future for a key heritage asset in the centre of the DVMWHS. The DVMWHS Partnership would be provided with a study of the potential visitor offer in the Belper North and East Mill. The report will help the DVMWHS Partnership identify potential funding sources and operational requirements to develop long-term investment options. The DVMWHS Partnership will continue to work with BNMT, AVBC and FI to guide further consultancy support to implement actions from the report.

**(3) Financial Considerations** Derbyshire County Council accepted the NLHF grant offer of £1,285,800 on 9 June 2017. On 13 September 2016, the Cabinet Member - Highways, Transport and Infrastructure approved the use of up to a maximum of £150,000 of the DVMWHS Partnership's reserve, as match funding towards the scheme. The Great Place Scheme is claimed retrospectively on incurred costs. No payments have yet been incurred or claimed for this project. The grant funding is available until 31 December 2020. Grants can be met from the Vital Valley budget of £95,000 for the "Old Spaces, Creative Futures" budget. The commission will have a maximum value of £40,000 and will be procured using Protocol 7B of the Council's Financial Regulations.

**(4) Social Value Considerations** The Great Place Scheme supports the corporate purpose, vision and values of Derbyshire County Council as laid out in the Council Plan Update 2016-17 (page 3) and those of the DVMWHS as laid out in its Management Plan 2014-2019, (page 7 and pages 90-104).

## **Other Considerations**

In preparing this report the relevance of the following factors has been considered: legal, prevention of crime and disorder, equality and diversity, human resources, environmental, health, property, and transport considerations.

(5) **Key Decision** No.

(6) **Call-In** Is it required that call-in be waived in respect of the decisions proposed in the report? No.

(7) **Background Papers** Held on file within the Economy, Transport and Environment Department. Officer contact details - Adam Lathbury, extension 39791.

(8) **OFFICER'S RECOMMENDATIONS** That the Cabinet Member:

8.1 Withdraws a grant up to a maximum of £40,000 to Amber Valley Borough Council.

8.2 Withdraws a grant up to a maximum of £75,000 to Belper North Mill Trust.

8.3 Notes that Derbyshire County Council, on behalf of the Derwent Valley Mills World Heritage Site Partnership, will commission and manage delivery of the Options Appraisal and Feasibility Study report for visitor attraction in Strutt's North and East Mills, Belper. This project forms part of the Derwent Valley Mills World Heritage Site Great Place Scheme for which Derbyshire County Council accepted the National Lottery Heritage Fund Grant of £1,285,800.
