16/21 **CARTER LANE BRIDGE: TRANSFER OF ROAD BRIDGE OVER FORMER RAIL LINE FROM HIGHWAYS ENGLAND HISTORIC RAIL ESTATE**

The Carter Lane Bridge carried the busy B6031 over a former rail line that now formed part of the Key Cycle Network connection between the Shirebrook Greenway and the Dukeries Trail. The bridge was currently owned by Highways England Historic Rail Estates (HEHRE) and has now deteriorated to the point where HEHRE did not consider that it was suitable to carry 40 tonne vehicles. The liability for this structural deficit lies with the Highway Authority due to the obligations placed on HEHRE by Section 117 of the 1968 Transport Act.

HEHRE has indicated that unless the structure was transferred to the ownership of Derbyshire County Council, then it would infill under the bridge which would sever the cycle link. The alternative was therefore for Derbyshire County Council to take ownership of the bridge under Section 94 of the Highways Act 1980 and a strengthening scheme be carried out which would provide a structural design life of over 120 years at

an estimated cost of £240,000. HEHRE has committed to fund one third of the cost of this work and Nottinghamshire County Council, who has an interest in the project to ensure the Cycle Network it put in place remained open, has also committed to fund one third of the cost. A sum of £80,000 has been allocated and approved within the Structures Management 2021 Local Transport Plan (LTP) Capital Programme to fund the Derbyshire County Council share of the scheme.

RESOLVED (1) to accept the transfer of Carter Lane Bridge to Derbyshire County Council ownership; and

(2) to accept the joint funding offer from Highways England Historic Rail Estates and Nottinghamshire County Council for strengthening works.

17/21 DEDICATION OF LAND IN CHILDREN'S SERVICES PORTFOLIO AS A PUBLIC RIGHT OF WAY

Clowne Greenway formed a section of Derbyshire's Key Cycle Network and has proved to be highly popular with all users. The internal path structure within a housing development constructed by AVANT Homes off Skinner Street in Creswell provided a connection to the Clowne Greenway, and a Section 106 agreement secured through Bolsover District Council's Planning Department included a financial contribution towards the development of a further off-site link path to allow access directly to the village centre and the Creswell railway station.

In the interests of promoting Active Travel a short path between the Greenway and the railway station would provide a joined-up approach to promote car free journeys. The land was included in the portfolio of Children's Services and provided a more direct connection to the station. The first part of the route formed the Gypsy Lane carriageway and footway, which was currently used as the main entrance to the Infant School, however a new entrance was currently being designed, and the second part was a grass and stoned surface. The intended works would form a bound surfaced track with a stoned edging to minimise onward maintenance costs. The public footpath to be dedicated was detailed on the plan attached to the report. Once dedicated the statutory consultation process would be undertaken for a Cycle Track Order to be made to establish the legal rights for cyclists to use the route, as well as pedestrians.

RESOLVED (1) to accept the dedication of land, as shown on the plan attached to the report, as a public right of way carrying the status of public footpath with concessionary rights for cycling; and

(2) to accept the future maintenance of this path.

18/21 EXCLUSION OF THE PUBLIC **RESOLVED that under Regulation 4 (2)(b) of the Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012, the public be excluded from the meeting for the following items of business on the grounds that in view of the nature of the items of business, that if members of the public were present, exempt**
