Director of Finance (Audit)**

WHISTLEBLOWING POLICY

1. Purpose

- 1.1 To consider the draft Whistleblowing Policy and refer it to Cabinet for formal approval.

2. Information and Analysis

- 2.1 'Whistleblowing' means the confidential reporting by an individual of any concerns relating to a perceived wrongdoing involving any aspect of the Council's work or those who work for the Council. This includes reporting of suspected wrongdoing, malpractice or illegality within the Council.
- 2.2 The Council currently has in place the Confidential Reporting Code which was approved in November 2016. It has been reviewed to ensure that it is up to date and fit for purpose. When conducting the review, the Guidance for Employers and Code of Practice issued by the Department for Business Innovation & Skills has been taken into account. The guidance makes it clear there is no one-size-fits-all whistleblowing policy, however provides some tips about what a policy should include. It recognises policies will vary depending on the size and nature of the organisation, but should be clear, simple and easily understood.

- 2.3 In light of the guidance, the Confidential Reporting Code has been renamed Whistleblowing Policy as it is considered the purpose of the document will be more clearly understood. The document has also been re-drafted so that it is easier to read.
- 2.4 The draft Policy sets out how the Council will handle and respond to any whistleblowing allegations and seeks to:
- a) encourage employees and members of the public and/or their representatives to feel confident in raising concerns or allegations in the public interest about suspected serious wrongdoing in the Council and its services without fear of reprisals or victimisation even where the concern or allegations are not subsequently confirmed by the investigation;
 - b) give a clear message that allegations of serious wrongdoing or impropriety are taken seriously;
 - c) ensure that where the disclosure proves to be well founded, the individuals responsible for such serious wrongdoing will be held accountable for their actions;
 - d) set out what employees and members of the public can expect by way of confidentiality and protection when making a whistleblowing disclosure; and
 - e) identify independent support for employees who wish to make a whistleblowing disclosure.
- 2.5 It is proposed that Governance, Ethics and Standards Committee considers the draft Policy, makes comments and refers it to Cabinet for formal approval.
- 2.6 Once the Policy is approved, the Council will ensure it is publicised via the intranet and the employee newsletter and training is provided. It will also be published on the internet. This will ensure that individuals are aware of the policy and how to make a disclosure.
- 2.7 Once the Policy is approved, it will be necessary to remove references to the Confidential Reporting Code and replace with Whistleblowing Policy in the Constitution, specifically the Code of Conduct for Officers, Financial Regulations and role and function of the Governance, Ethics and Standards Committee. This will be addressed through separate reports to Governance, Ethics and Standards Committee and Council.

3. Alternative Options Considered

3.1 Governance, Ethics and Standards Committee could choose not to consider the draft Policy.

4. Implications

4.1 Appendix 1 sets out the relevant implications considered in the preparation of the report.

Implications

Financial

1.1 None directly arising from this report.

Legal

2.1 The law relating to whistleblowing is set out in the Employment Rights Act 1996 (as amended by the Public Interest Disclosure Act 1998). It provides the right for a worker to take a case to an employment tribunal if they have been victimised at work or they have lost their job because they have 'blown the whistle'.

2.2 The legislation does not require the Council to have a whistleblowing policy in place, however the existence of a whistleblowing policy shows the Council's commitment to listen to the concerns of employees and how it will respond to those concerns.

Human Resources

3.1 As set out in the legal implications section.

Information Technology

4.1 None directly arising from this report.

Equalities Impact

5.1 The Whistleblowing Policy is aimed at ensuring the highest standard of ethical and honest behaviour. It is intended to give confidence to those who wish to raise an allegation of wrongdoing and should not disadvantage any individual that has one or more protected characteristic. An Equality Impact Assessment will be prepared for consideration by Cabinet in due course.

Corporate objectives and priorities for change

6.1 None directly arising from this report.

Other (for example, Health and Safety, Environmental Sustainability, Property and Asset Management, Risk Management and Safeguarding)

7.1 Having a robust Whistleblowing Policy in place that encourages employees to report wrongdoing is an important way to manage risks to the Council.
