**DERBYSHIRE COUNTY COUNCIL**

**IMPROVEMENT AND SCRUTINY COMMITTEE - CLIMATE CHANGE,  
BIODIVERSITY AND CARBON REDUCTION**

**WEDNESDAY, 23 MAY 2022**

**Report of the Director - Legal and Democratic Services**

**Draft Work Programme 2022/23**

**1. Purpose**

- 1.1 To consider the draft work programme for 2022/23 and to invite Members to propose additional items to be considered for inclusion.

**2. Information and Analysis**

- 2.1 It is considered good practice that each Scrutiny Committee develops and agrees an annual work programme. The identification of relevant topics and their allocation to a specific meeting date, focuses the work of the Committee and promotes transparency.
- 2.2 Scrutiny work programmes are best viewed as flexible documents. The timescales are indicative of when each issue will be considered by the Committee. Throughout the year timings may change and new issues may emerge. For example, new items may be identified from the Council's Forward Plan.
- 2.3 A draft work programme for 2022/23 is given at Appendix two and Members are invited to propose additional items to be considered for inclusion.
- 2.4 When identifying issues for the work programme Members are advised to consider:

- Whether the issue falls within the remit of the Committee
- How the issue aligns with the Council Plan priorities
- Whether the issue is in the public interest
- If there has been a change to National Policy and how this will affect people in Derbyshire
- If there are any performance, financial or safety concerns about a particular service or function
- How consideration by the Scrutiny Committee will add value.

### **3. Consultation**

3.1 Scrutiny work programmes are developed in consultation with Committee members. They are also informed by discussions with Executive Directors, who offer guidance about the timing of the Committee's involvement, to ensure that scrutiny work coincides with the availability of performance data, specific milestones, and appropriate stages of policy development.

### **4. Alternative Options Considered**

4.1 The option of not having a work programme was rejected as it is considered important that topics are allocated to specific meeting dates in order to focus the work of the Committee and promote transparency.

### **5. Implications**

5.1 Appendix 1 sets out the relevant implications considered in the preparation of the report.
