**DERBYSHIRE COUNTY COUNCIL**

**CABINET**

**Thursday, 8 September 2022**

**Report of the Director - Public Health**

**Refresh of Health and Wellbeing Strategy**  
(Cabinet Member for Health and Communities)

**1. Divisions Affected**

County wide

**2. Key Decision**

2.1 This is not a Key Decision.

**3. Purpose**

Cabinet is asked to:

- a) Note the approval by the Health and Wellbeing Board of the final version of the refresh of the Health and Wellbeing Strategy, attached in Appendix 2.
- b) Note the publication of the Health and Wellbeing Strategy.
- c) Note that a full Health and Wellbeing Strategy Refresh will take place during 2023.

**4. Information and Analysis**

4.1 Appendix 2 presents the refreshed Derbyshire 'Health and Wellbeing Strategy' in final format. The strategy continues to focus around 5 priority areas:

1. Enable people in Derbyshire to live healthy lives.
2. Work in lower levels of air pollution.
3. Build mental health and wellbeing across the life course.
4. Support our vulnerable population to live in well-planned and healthy homes.
5. Strengthen opportunities for good quality employment and lifelong learning.

4.2 For each priority the strategy describes:

- Why this is a priority in Derbyshire?
- How we will achieve our ambitions?
- Has the Covid-19 pandemic changed anything?
- What are the priorities for the next 24 months?
- What we have achieved?
- How will we continue to measure success and track progress?

4.3 The refreshed 2022 'Health and Wellbeing Strategy' will be a live document and we will update governance structures to make sure it fully aligns with emerging Integrated Care System arrangements throughout 2022.

4.4 The strategy will be fully reviewed with an ambition to have a new strategy in place from the end of 2023 onwards. For this review officers will fully engage with stakeholders to inform the development of new priorities and outline a longer-term vision for preventative health and wellbeing interventions that works alongside the Integrated Care Strategy for Derby and Derbyshire.

4.5 Cabinet is asked to note the refresh of the strategy to ensure the Council is aware of the content of the report. Whilst it is acknowledged that there is no statutory requirement for the Health and Wellbeing Strategy to be presented to, and approved by, Council it is considered beneficial for Cabinet to review all updates to the document, which will be on no more than an annual basis.
