

FOR PUBLICATION

DERBYSHIRE COUNTY COUNCIL

DERBYSHIRE HEALTH AND WELLBEING BOARD

6 October 2022

Report of the Director of Public Health

Health and Wellbeing Board Terms of Reference and Membership

1. Purpose

- 1.1 The Health and Wellbeing Board is asked to:
- a) Agree the Health and Wellbeing Board Membership and Terms of Reference following consultation, attached as appendix 2.
 - b) Note the revised draft terms of reference, which will be adopted by Derbyshire County Council.

2. Information and Analysis

- 2.1 Health and Wellbeing Boards were established under the Health and Social Care Act 2012 and have both set functions and a core membership. The statutory requirements of the Board are outlined in the terms of reference.
- 2.2 The statutory membership of the Board includes the following:
- At least one councillor of the upper tier local authority
 - The director of adult social services for the upper tier local authority
 - The director of children's services for the upper tier local authority
 - The director of public health for the upper tier local authority
 - A representative of the Local Healthwatch organisation for the area of the local authority
 - A representative of each relevant clinical commissioning group (see 2.3 below)

- 2.3 The Health and Care Act (2022) amends the Health and Social Care Act (2012) replacing the representative of the Clinical Commissioning Group with a representative from the Integrated Care Board (amendments 183 and 184). There are also various other requirements relating to the presentation of Forward Plans and strategy documents which will require the Integrated Care Board to engage with the Health and Wellbeing Board formally. This relationship has been described in the revised terms of reference.
- 2.4 The Health and Wellbeing Board role is also described in the Terms of Reference to ensure that it adds value to the Derbyshire public sector system and effectively supports the work of the Integrated Care Board, the Integrated Care Partnership and other groups operating at district or borough level.

3. Alternative Options Considered

- 3.1 Not amend the Health and Wellbeing Board Terms of Reference to reflect recent development discussions and legislative changes. No changes would result in a risk to the Board and Derbyshire County Council as the body responsible for the Health and Wellbeing Board as it would not be compliant with legislation. If other changes were not adopted this may result in ineffective partnership arrangements and may reduce the effectiveness of all partner organisations to support health and wellbeing outcomes for the Derbyshire population.

4. Implications

- 4.1 Appendix 1 sets out the relevant implications considered in the preparation of the report.

5. Consultation

- 5.1 Members of the Health and Wellbeing Board have been consulted on the revised Terms of Reference and the Integrated Care Board have confirmed the officers and Non-Executive Directors who will be represented on both Derbyshire and Derby City Health and Wellbeing Boards.
- 5.2 The Derbyshire County Council Governance, Ethics and Standards Committee have been consulted as part of the process of amending the council constitution and fed back that Cabinet Members or Committee Chairpersons needed to act as district or borough council representatives, dependent on their governance arrangements. This is reflected in the Terms of Reference in Appendix 2.

5.3 Legal Services have provided some additional comments on the structure and format of the Terms of Reference.

6. Background Papers

6.1 [Health and Social Care Bill \(2022\)](#)

7. Appendices

7.1 Appendix 1 – Implications.

7.2 Appendix 2 – Draft Terms of Reference

8. Recommendation(s)

That the Health and Wellbeing Board:

- a) Agree the Health and Wellbeing Board Membership and Terms of Reference following consultation, attached as appendix 2.
- b) Note the revised draft Terms of Reference, which will be adopted by Derbyshire County Council.

9. Reasons for Recommendation(s)

9.1 The changes to the Health and Wellbeing Board Terms of Reference and membership update the role and function of the Board so that it works effectively within the new Integrated Care System structures which came into effect on 1 July 2022 and reflects Health and Wellbeing Board development sessions which took place earlier in 2022.

Implications

Financial

- 1.1 There are no financial implications associated with the changes to the terms of reference

Legal

- 2.1 Health and Wellbeing Boards were established as statutory committees for upper tier local authorities within the Health and Social Care Act (2012). The 2012 Act prescribed core statutory functions and membership of the Board.
- 2.2 The Health and Social Care Act (2022) outlines a number of changes to NHS governance structures, including the requirement for Health and Wellbeing Boards to work alongside Integrated Care Boards and have representation from the Accountable Officer for the Derby and Derbyshire Integrated Care System, replacing the Chief Officer function from Clinical Commissioning Groups.
- 2.3 Member organisations and representatives should identify the process by which they are permitted to approve the Terms of Reference to ensure that any such governance process is followed. They may for example be required to seek approval from a governance group within their organisational structure and this should be completed prior to approval of the draft Terms of Reference.
- 2.4 The Terms of Reference of the Health and Wellbeing Board are contained in Article 14 of the Derbyshire County Council constitution. Revision of the Terms of Reference should therefore be considered and approved by full council once the Board and member organisations have approved these.

Human Resources

- 3.1 There are no human resource implications associated with the changes to the Terms of Reference.
