<b>Derbyshire Connect</b>	Cabinet Member for Highways, Assets and Transport 6 September	To extend to the Derbyshire Connect shopping bus and access to health services for a period of 12 months from 1 October 2022 until 30 September 2023	The extension of service will ensure provision remains available for vulnerable passengers from 1 October 2022. The six contracts to provide Derbyshire Connect services are due to expire on 30 September 2022.	As part of the Council's BSIP, it is proposed to introduce a county wide DRT service. This would incorporate the functions of the current Derbyshire Connect shopping bus and access to health services along with a more general element which allows people to use the new services to travel for other reasons such as going to work, education/training, and for leisure purposes. Although the DfT announced indicative funding of £47m over a three-year period in April 2022, final confirmation was only

A programme designed to help people improve their ability to understand and use maths in daily life, home, and work. For example, this could be improving household finances, helping children with homework, making more sense of the facts in the media, or improving numeracy skills specific to a line of work.	Any delay in making this decision would prohibit the receipt of the funding to deliver the Multiply Programme, thereby delaying the delivery of the programme and so prejudicing Derbyshire residents.

<b>Mosaic Social Care Management System migration of system to supplier hosted service</b>	Cabinet 17 November 2022	To approve the first-year costs of £0.504m, which include implementation costs of £0.140m, to be met from a combination of the General Reserve/additional borrowing where appropriate. Further years costs will be met from the General Reserve if necessary as outlined in Appendix One.	The associated timeline for the outstanding the programme of works cannot be met within existing resource constraints.  The planned full procurement exercise is unable to deliver a solution to current issues within the necessary timeframe.	The supplier is facing significant demand for these services and any delay could result other customers being provisioned before the Council and a further extension to the timeline.
