

Appendix 2**Approvals Under Delegated Powers**

Under the Children's Services Financial Scheme of Delegation, the Head of Development has delegated powers to authorise expenditure up to a value of £75,000 and the Executive Director for Children's Services up to a value of £250,000 on any individual project (funded from existing resources). Where there are multiple projects detailed in a report, this is for efficiency only and each project or group of projects for an individual school are separate new projects under the definition of the Scheme of Delegation.
