

Appendix 1 – Responsibility for Functions

A. INTRODUCTION

1. The Council has adopted the Leader and Cabinet (executive) (England) governance model. The Cabinet consists of the Leader of the Council (who is appointed by full Council and may be removed by it) and 2 or more councillors appointed to the Cabinet from time to time by that Leader. The executive of Derbyshire County Council is described as 'the Cabinet'.
2. In accordance with the law, any function of the Council which is not otherwise specified in legislation is an 'executive function' and is the responsibility of the Leader and Cabinet. The Leader and Cabinet are responsible for all of the County Council's functions (including local area functions), except those which are required by the law or this Council's Constitution, to be the responsibility of the Council itself, or any other non-Cabinet part of the Council. Cabinet functions are regarded as exercisable by the Cabinet (or officers or individual Cabinet Members) on behalf of the Council and may not be exercised by the Council.
3. Such Cabinet functions may be discharged in accordance with provisions made by, or under, this Constitution or the law, in particular the Local Government Act 2000, Public Involvement in Health Act 2007, Localism Act 2011 and associated Regulations.
4. Legislation specifies particular non-Cabinet functions which cannot be the responsibility of the Cabinet, and also local area functions which may be allocated to be the responsibility of the Cabinet, but do not need to be. All local choice functions which are not otherwise allocated under this Constitution are the responsibility of the Leader and Cabinet.
5. The Leader may personally discharge functions which are the responsibility of the Cabinet or arrange for their discharge by the Cabinet, another member of the Cabinet, a committee of the Cabinet, a joint committee or by an officer. The Leader may change these arrangements from time to time. Unless the Leader otherwise directs, the Cabinet itself may also arrange for the discharge of any of its functions by a committee of itself, a joint committee, individual Cabinet Member or by an officer.
6. This scheme reflects the assignment of functions by either the Council (in respect of matters which are not executive functions) or by the Leader of the Council or Cabinet (in respect of matters which are the responsibility of the Cabinet as appropriate to the particular function. In relation to delegation to officers, the scheme does not distinguish between the two sources of delegation.
7. Responsibility for the functions of the Council and Cabinet is delegated or assigned as set out in the following provisions of this scheme as updated from time to time, and such delegation/assignment includes the power to do anything which is calculated to facilitate or is conducive to the discharge of those functions.
8. The provisions of this scheme take account of the requirements of the Local Government Act 2000, the Local Government and Public Involvement in Health Act 2007, Localism Act 2011 and relevant legislation including Regulations in the assignment of functions to the Council

itself, to the Leader/Cabinet, to other Committees or Panels. They take account of any prohibitions, restrictions or local choice in the assignment of these functions.

9. The Council, the Leader, Cabinet, individual Members, Committees or Panels to which functions are assigned, shall act in accordance with the law and the provisions of the Council's Constitution, including any Standing Orders, Procedure Rules, Financial Regulations and protocols approved from time to time (except those joint committees or any other member bodies regulated by separate constitutions).
10. Those functions reserved to the full Council itself are not to be delegated or assigned except as permitted under the law or this Constitution.
11. Each body or person having decision-making powers (a 'Delegate') shall implement and act within the policies of the Council, having regard to the advice of the Chief Legal Officer and Chief Finance Officer as necessary.
12. Each Delegate shall have the power to delegate further to an officer all or any of the functions delegated to it.
13. Each Delegate shall have the power to institute or defend or authorise appearance in legal proceedings within the scope of their delegation, having regard to the advice of and with the consent of the Director of Legal & Democratic Services.
14. A Delegate may decide not to exercise any function in relation to a particular matter and invite the Council, Leader or Cabinet (depending upon whether the function is the responsibility of the Cabinet or any other appropriate body as the case may be to do so instead.
15. The functions, powers and duties are delegated to officers in accordance with the scheme of delegation to officers.
16. Meanings:
 - (a) Cabinet (executive) functions shall mean those functions that by law must be the responsibility of the Cabinet.
 - (b) Non-Cabinet functions shall mean those functions that by law must not be the responsibility of the Cabinet.
 - (c) Local area functions shall mean those functions that the Council may decide to exercise itself or delegate to any part of the Council including the Cabinet.
 - (d) Responsibility of the Cabinet shall include those matters which are Cabinet (executive) functions, or local choice functions which have been delegated to the Cabinet.

B. PRINCIPLES OF DELEGATION

The principles guide the allocation of responsibility for decision-making at Cabinet Member, Managing Director, Executive Director and Director level.

In respect of matters delegated from Cabinet to individual Cabinet Member, the focus would be on policy issues within the policy and expenditure frameworks agreed by Council/Cabinet:-

- Policy matters, internal to the service, and required to provide guidance to officers to ensure significant policy decisions are implemented
- Details of policy matters delegated by Cabinet once principles have been agreed
- Expenditure items not specifically detailed within Service Plans but not sufficiently significant in scale to refer to Cabinet
- Responses to consultation documents not referred to Cabinet.

In respect of matters delegated from Cabinet to Executive Directors or Directors in consultation with Cabinet Members, the focus would be on service management issues with policy or political implications (no surprises policy)

- Significant management decisions which could have an adverse or controversial impact on the delivery of services or achievement of agreed targets
- Development of Service Plans and Policy Statements for consideration by Cabinet

In respect of matters delegated from Cabinet to an Executive Director or Director these would relate solely to the management of services and resources covering:-

- Management of services within the framework of the Council Plan, Service Plans and Council policies and standards agreed by Members
- Management of resources within the framework of the corporate strategies (i.e. Financial, Information & Communications Technology, Procurement, Human Resources and Asset Management) agreed by Members.

C. SCHEME OF DELEGATION

Aims

Democratic accountability should be the key aim of the Scheme of Delegation together with:-

- Member authority for policy/strategic decisions
- Effective scrutiny of policy/strategic issues
- Officer responsibility for service delivery
- Effective monitoring of service performance.

Member Advantages

The Scheme of Delegation details below the decisions to be taken at the different levels. For Cabinet Members it will deliver the:-

- Ability to control key/strategic decisions in Council and Cabinet
- Opportunity to consider and shape policy within the Cabinet
- Involvement in Council Plan/Budget formulation in informal 'Star Chamber' type arrangements.

For individual Cabinet Members the advantages are:-

- Enhanced authority and responsibility to implement policy within agreed frameworks
- Increased ability to take speedier policy decisions
- Greater involvement in shaping service delivery in line with policy
- Improved information on service activities and executive decisions
- Improved service personal/political profile
- Protection of personal positions and interests through collective responsibility in Council/Cabinet and support from the Managing Director, Executive Directors or Directors.

Other councillors will see improvements through:-

- Greater involvement, given the range of decisions proposed for Council
- An enhanced role through Improvement and Scrutiny Committees
- More responsibility for inspecting and monitoring service delivery within their local area
- Increased influence via the Sustainable Community Strategy Plan etc in shaping partner organisation activity.

Member-Officer Relationships

The Scheme of Delegation will only work effectively if there is mutual understanding and trust between Members and Officers.

However, to support the Scheme of Delegation and particularly where matters are delegated from Cabinet to Cabinet Member and the Managing Director, Executive Directors or Directors, it is suggested that:-

- 'Service Plans' should be of sufficient detail to provide an effective framework for decisions
- Information on service delivery should be enhanced to ensure that members know what is going on without having to ask
- Protocols, or sets of criteria, for the detailed implementation of specific policy or service areas should be agreed between the Cabinet Member and the Managing Director, Executive Directors or Directors
- The principle is reinforced that the Managing Director, Executive Directors or Directors err on the side of caution in informing members of decisions that might have political implications
- Decisions delegated to officers within departments are dealt with in a structured way with proper records and audit trails so it is clear who is responsible and what the reasons were for the decisions.
