Derby College,
Broomfield Hall Campus
Morley
Ilkeston
Derbyshire
DE7 6DN

Tuesday 18th April

Dear Pauline Latham MP,

I am Josh Brailsford, and I am a student at Derby College- Broomfield Hall Campus in Morley, Ilkeston.

I am writing to you because we have a problem with the busy road outside the college. It is currently a hazard to life on the A608. We have to cross the road to get the H1 bus into Derby, which means that we have to cross the road where the cars are speeding and the cars are overtaking one another.

To solve the problem, I think that we should have a footbridge to get across to the other side of the road to stop this hazard of life on the A608 outside the college which would make students feel a lot more safer.

Thank you for taking the time to read this letter and I hope to hear from you very soon.

Yours faithfully,

Josh Brailsford

With compliments, Louise Rawson, Tesche of Inclusion,
louise.rawson@derby-college.ac.uk.

Dear Pauline Latham MP

I am a student at Derby Broomfield college.

I am writing to you because to tell you about the dangerous busy 20mph road it's a very bad hazard to walk on and because of oncoming traffic.

To solve the problem, I think

We need zebra crossings speed cameras traffic lights pedestrian crossing reduce speed to 20mph bridge speed bumps we need to put things into place.

Thankyou for taking the time for reading my letter and replying to me.

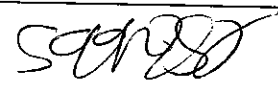

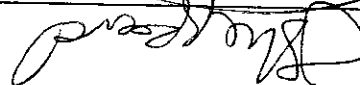

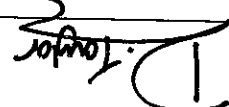

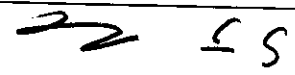

Yours faithfully

Bethany
