

<b>NOTICE OF MOTION</b>	
<b>Title:</b>	SUPPORT TO KEEP BUXTON'S MUSEM OPEN AND AVAILABLE FOR ALL
<b>Proposer of motion:</b>	Councillor Linda Grooby
<b>Background/supporting information:</b>	
<p>As one of Buxton's Councillors I have been actively engaged with local residents and groups in working to ensure the future of our museum. Working alongside Cllr Lewis we have discussed and considered options available to us.</p> <p>A recent well attended march to the front of the museum, led by a local group, demonstrated the evident desire and passion to keep our town's museum open.</p> <p>The museum is a vital part of our heritage and must be preserved for the local people of today and for future generations. It is also critical for visitors to Derbyshire, who visit from all over the world, that we are able to share our rich cultural heritage and history.</p> <p>I trust all Members of the Council will consider voting in favour of the motion outlined below.</p>	
<b>Motion to be proposed:</b>	
That Council: supports all efforts towards a sustainable long-term solution to keep Buxton's museum open and available for the residents of Derbyshire as well as the many visitors to the town from outside the County.
