

DERBYSHIRE POLICE AND CRIME PANEL

23rd January 2020

Report of the Director of Legal and Democratic Services of Derbyshire County Council

GRANT FUNDING

1. Purpose of the Report

To consider the position regarding grant funding available to the Police and Crime Panel from the Home Office.

2. Information and Analysis

In establishing Police and Crime Panels, the Home office agreed that funding would be available to ensure that there is a Police and Crime Panel for the police area able to carry out its scrutiny functions and responsibilities as set out in the Police Reform and Social Responsibility Act 2011. A limited grant is provided on application to each Local Authority acting as the Host Authority for the provision of administrative and management support to facilitate the Panel.

The grant available does vary from year to year. For the financial year 2019-2020, the funding available is a grant of up to £67,100. The letter dated 16th August 2019 confirming the offer of the grant is attached at Appendix 1 and the grant agreement is attached at Appendix 2. The grant is paid upon application and a return detailing costs incurred. Usually, there is a requirement to report at the mid-point of the year as well as at the end of the financial year. However, this year, the Home Office has agreed that the return need only be provided at the end of the financial year and so will be provided in March.

A further report will be provided for consideration by the Panel following submission of the return to the Home Office for the financial year 2019/2020 and notification of grant funding available for the financial year 2020/2021.

Costs claimed for panel administration include officer time in supporting and advising the Panel as well as administrative costs in respect of the production and circulation reports (including printing and postage), the cost of meeting rooms and training.

The grant can also cover member expenses and allowances. However, the Panel arrangements for the Derbyshire Police and Crime Panel confirm that no allowance or expenses payments will be made by the Panel itself to councillor members and that any allowances or expenses payment which may be made councillor members arising out of Panel Membership shall be determined and borne by the appointing council for each Panel member individually. Derbyshire

County Council as the host authority reimburses reasonable expenses to independent members provided that this is agreed as part of the annual budget approved by the Panel.

The completed returns to the Home Office showing Panel expenditure for the years 2016-2017 (Appendix 3), 2017-2018 (Appendix 4), 2018-2019 (Appendices 5a and 5b) are attached as appendices.

3. Financial Considerations

As detailed within the report.

4. Legal Considerations

The functions and responsibilities of Police and Crime Panels are set out in the Police Reform and Social Responsibility Act 2011 and are to scrutinise the actions and decisions of police and crime commissioners, and provide support and challenge to the commissioner in the exercise of their functions. They focus their attention on key strategic actions and decisions taken by the commissioner, including whether they have achieved the objectives set out in their police and crime plan, considered the relevant priorities of their community safety partners and consulted appropriately with the public.

The grant is paid in exercise of the power conferred upon the Secretary of State for the Home Department under section 31 of the Local Government Act 2003 to provide financial support to a local authority in England or Wales.

5. Other Considerations

In preparing this report, the relevance of the following factors has been considered: prevention of crime and disorder, equality and diversity, human resources, environmental, health and transport considerations.

6. Background Papers

The file currently held by the Director of Legal and Democratic Services.

7. Officer's Recommendation

That the Police and Crime Panel notes;

7.1 the position regarding grant funding; and

7.2 that a future report will be brought for consideration by the Panel following submission of the return to the Home Office for the financial year

2019/2020 and notification of grant funding available for the financial year 2020/2021.

- 9.5. The Recipient shall, without charge, permit any officer or officers of the Authority, agents, external auditing bodies (e.g. European Court of Auditors, National Audit Office or Public Sector Audit Appointments) or their nominees, access to its Staff, premises, facilities and records and shall, if so required, provide appropriate oral

The Authority may refer the Recipient, Beneficiary or a Delivery Partner to the police should it dishonestly and intentionally obtain Duplicate Funding to deliver the Purpose.
- 11.7. The Recipient shall not offer or give, or agree to give, to the Authority or any other public body or any person employed by or on behalf of the Authority or any other public body any gift or consideration of any kind as an inducement or reward for doing, refraining from doing, or for having done or refrained from doing, any act in relation to the obtaining or execution of the Grant Agreement or any other contract with the Authority or any other public body, or for showing or refraining from showing favour or disfavour to any person in relation to the Grant Agreement or any such contract.

money laundering, terrorism, modern slavery etc); and ensure the payment is not double funding.

- 12.4. When procuring or entering into an arrangement with a Delivery Partner, the Recipient shall be mindful of the intent, and apply the spirit, of the:
- Government Functional Standard for General Grants³, and
 - Compact in all its dealings with Civil Society Organisations.

- 16.3. It is hoped that most difficulties encountered by the Recipient can be overcome with the advice and support of the Authority. Where the Authority reasonably believes that the Recipient may be in breach of this Grant Agreement, the Authority will write to the Recipient giving particulars of its concern or of such breach.
- 16.4. The Recipient must act within thirty (30) Calendar Days (or earlier, depending on the severity of the problem) to address the Authority's concern or remedy the breach, and may consult the Authority or agree with it an action plan for resolving the problem. Dear Claire

DERBYSHIRE POLICE AND CRIME PANEL GRANT – FINANCIAL YEAR 2019/20

I am writing to confirm the offer of a grant of up to £67,100.00 to Derbyshire County Council as host authority in respect of the Derbyshire Police and Crime Panel (PCP).

Payment of this grant, to the agreed schedule in the attached Grant Agreement, is subject to your acceptance of this offer and the standard terms and conditions of the Grant Agreement.

To allow public scrutiny of PCP spending, PCPs must publish, as a minimum on their website, details of all their expenditure (or, where that is not possible, on the host authority's website). This will include details of all panel administration costs and individual panel member claims for expenses and allowances.

If you wish to accept this offer of grant funding, please sign and return to the above email address, one copy of the Grant Agreement, ensuring that you complete the Acceptance of Grant pages. Please be aware that no payments will be released until receipt of the signed documentation.

Yours sincerely

Lauren Diffey
Head of PCC Policy, Scrutiny and Accountability
