

**FOR PUBLICATION**

**DERBYSHIRE COUNTY COUNCIL**

**AUDIT COMMITTEE**

**17 September 2024**

**Report of the Assistant Director of Finance (Audit)**

**Annual Internal Audit Plan 2024-25 (Q3-Q4)**

**1. Purpose**

- 1.1 To present to Members for consideration and approval the proposed Internal Audit Plan for 2024-25 (Q3-Q4).

**2. Information and Analysis**

- 2.1 The Audit Services Plan is designed to provide assurance that the significant risks identified as part of the risk assessment process are being managed effectively and, where appropriate, to make recommendations for improvements in overall control, efficiency and effectiveness.

Approach

- 2.2 The paper is a continuation of the paper presented in March 2024 that presented is for a half year plan which is a move away from the traditional full year audit plan. A half year plan is designed to ensure a focused plan can be achieved and allow the Council to move to a continuous planning approach. This approach will deliver the benefits of a truly agile audit service that can deliver focused outputs as key risks facing the organisation emerge. Furthermore, this approach was recently suggested as part of the External Quality Assessment the service received from the Institute of Internal Auditors.

### Risk Focus

- 2.3 The Audit Services Plan has been formulated in accordance with the Internal Audit Strategy and informed by our risk assessment drawn from a wide range of sources including:-
- Council Plan
  - Council's Strategic Risk Register
  - Departmental Risk Registers
  - Meetings with Corporate Management Team, Executive Directors and Directors including the Section 151 Officer and Monitoring Officer
  - Previous cyclical Audit work, knowledge of systems, controls and follow up of previous Audit recommendations
  - Proactive fraud work
  - External Audit
  - Sector knowledge and emerging risks.

### Balance Approach

- 2.4 The Audit Service supports the Council above and beyond the delivery of individual audits and time is allocated within the audit plan to support other key work streams including Audit Investigations, Corporate Governance, Anti-Fraud and Corruption as well as sitting on a number of key meetings such as Governance Group, Information Governance Group and Finance Officers Group to provide guidance on risk and controls.

### Delivery of Audit Work

- 2.5 As the Council continues to face significant budget challenges and restrictions upon service delivery, Audit Services resources are not immune from these pressures and the focus of the unit will be to ensure efficient and effective use of the units resources to ensure that sufficient assurance and compliance work is completed, to enable the Head of Internal Audit (HIA) to form an opinion in the 2024-25 Annual Audit Report.

- 2.2 The Public Sector Internal Audit Standards require that the Assistant Director of Finance (Audit), as Head of Internal Audit (HIA), 'must deliver an annual audit opinion and report that can be used' to inform the Council's Annual Governance Statement. This opinion must reflect the work done during the year and 'must conclude on the overall adequacy and effectiveness of the organisation's framework of governance, risk management and control'.
