

Appendix 4

The Council's Pledges to Existing Attendees

- We will treat you with dignity and respect, working with you and keeping you informed throughout the process.
- We will ensure carers, relatives and friends chosen by you are informed of and involved in the process too.
- We will provide timely and appropriate information, advice, and support.
- We will offer everyone impacted a thorough review of their care and support and reassessment if required, with a dedicated Social Care Practitioner.
- We will continue to work with the two people impacted in terms of supported living accommodation to find alternatives, ensuring regular contact and intensive support is provided throughout the transition process.
- We will offer anyone currently attending Newhall Bungalow, Petersham and Victoria Street the opportunity to transition to Morewood for planned short breaks if they choose to.
- We will offer a review to everyone who accesses Morewood to ensure people are receiving the right level of support.
- We will also explore other alternative short break options including private, voluntary, and independent sector provision, direct payments, shared lives, support at home, and digital solutions.
- We will ensure a careful and robust plan is in place to enable a smooth transition for every person impacted by these changes. This will involve thorough and experienced input from Adult Social Care Practitioners and Community Connectors.
- We will review any new support arranged to check that this is working well for people and make any necessary changes.
- We will work with Derbyshire Carers to offer joint support to carers.
