Report of the Director of Finance & ICT

GOVERNANCE POLICY AND COMPLIANCE STATEMENT

1 Purpose of the Report

To seek approval for the draft updated Governance Policy and Compliance Statement for Derbyshire Pension Fund (the Fund) attached as Appendix 1.

2 Background

The Local Government Pension Scheme Regulations 2013 require an administering authority, after consultation with such persons as it considers appropriate, to prepare, publish and keep under review, a written statement setting out:

- whether it delegates its functions, or part of its functions under these Regulations to a committee, a sub-committee or an officer of the authority
- the terms, structure and operational procedures of any such delegations
- the frequency of any committee or sub-committee meetings
- whether such a committee or sub-committee includes representatives of Scheme employers or members, and if so, whether these representatives have voting rights
- the extent to which a delegation, or the absence of a delegation, complies with guidance given by the Secretary of State and, to the extent that it does not so comply, the reasons for not complying
- details of the terms, structure and operational procedures relation to the local pension board

The Governance Policy and Compliance Statement (the Statement) sets out the governance arrangements for Derbyshire Pension Fund and records the

extent to which the Fund complies with the statutory guidance issued by the Secretary of State in respect of these matters.

The Statement has been updated to reflect:

- the move from eight formal meetings of the Pensions and Investments Committee to six formal meetings and two training sessions
- the updated arrangements for representing Derbyshire County Council on the Joint Committee and Shareholders' Forum of the LGPS Central Pool and the delegated authority for the Director of Finance & ICT to make decisions on any matter which requires a decision by the shareholders of LGPS Central Ltd
- the up to date position with regard to compliance with best practice

The updated governance arrangements with respect to the LGPS Central Pool and LGPS Central Ltd were approved by full Council on 9 October 2019.

Compliance with the statutory guidance based on best practice principles has continued to improve; widening scheme member and employer representation in the Fund's governance structure remains an area for development.

The Fund has recently written to all of its members as well as to scheme employers to highlight a recent Pension Fund consultation in order to improve engagement with scheme members and it is intended that a Members' Forum will be established in conjunction with the implementation of the Member Self-Service system.

3 Financial Considerations

All costs related to the operation and implementation of this Policy will be met directly by Derbyshire Pension Fund.

4 Other Considerations

In preparing this report the relevance of the following further factors has been considered: legal, human rights, human resources, equality and diversity, health, environmental, transport, property, and prevention of crime and disorder.

5 Background Papers

Background papers are held by the Head of Pension Fund.

6 Officer's Recommendation

That the Committee approves the draft Derbyshire Pension Fund Governance Policy and Compliance Statement attached as Appendix 1.

Governance Policy and Compliance Statement

November
2020

Introduction

This is the Governance Policy and Compliance Statement (the Statement) for Derbyshire Pension Fund (the Fund) which is part of the Local Government Pension Scheme (the LGPS). The Fund is managed and administered by Derbyshire County Council (the Council) in accordance with the Local Government Pension Scheme Regulations 2013 (2013 Regulations). At a national level, the LGPS is governed by the Ministry of Housing, Communities and Local Government (MHCLG) and the LGPS Scheme Advisory Board.

The 2013 Regulations require an administering authority, after consultation with such persons as it considers appropriate, to prepare, publish and keep under review, a written statement setting out:

- whether it delegates its functions, or part of its functions under these Regulations to a committee, a sub-committee or an officer of the authority;
- the terms, structure and operational procedures of any such delegations;
- the frequency of any committee or sub-committee meetings;
- whether such a committee or sub-committee includes representatives of Scheme employers or members, and if so, whether these representatives have voting rights;
- the extent to which a delegation, or the absence of a delegation, complies with guidance given by the Secretary of State and, to the extent that it does not so comply, the reasons for not complying; and
- details of the terms, structure and operational procedures relation to the local pension board.

Governance Objectives

The Pension Fund's governance objectives are to:

- Meet the highest standards of good governance through the application of the key principles of openness and transparency, accountability, integrity, clarity of purpose and effectiveness.
- Ensure robust governance arrangements are in place to facilitate informed decision making supported by appropriate advice, policies and strategies, which do not unreasonably favour one group of stakeholders over another.
- Ensure the Pension Fund is managed and its services delivered by people who have the appropriate knowledge and expertise.
- Comply with all appropriate legislation and statutory guidance, and to act in the spirit of other relevant guidelines and best practice guidance.

The identification and management of conflicts of interest is integral to the Fund achieving its governance objectives. A Conflicts of Interest Policy has, therefore, been developed for the Pension Fund and it was approved by the Pensions and Investments Committee on [].

Governance Arrangements

Under the terms of the Council's Constitution, responsibility for the functions of the Council as the administering authority of Derbyshire Pension Fund is delegated to the Pensions and Investments Committee. A Local Pension Board, set up in 2015 in accordance with the Local Government Pension Scheme (Amendment) (Governance) Regulations 2015, assists the Council with the governance and administration of the Fund.

The day to day management of the Pension Fund is delegated to the Director of Finance & ICT who is supported by the Head of Pension Fund and in-house investment and administration teams. A proportion of the Fund's investment assets are managed by LGPS Central Limited (the Fund's pooling company) and by other external fund managers.

Commented [DK(CaP1): Updated to include external investment management arrangements.

Pensions and Investments Committee

The Committee comprises eight voting Councillors representing the County Council and two voting Councillors representing Derby City Council. The County Council and City Council members of the Committee reflect the political balance of the respective Councils. Two trade union representatives are also entitled to attend meetings of the Pensions and Investments Committee as non-voting members.

Officers of the Council and an independent investment adviser also attend meetings to provide advice and support to members of the Committee. Other experts attend Committee to provide advice as required.

The Committee meets eight times a year (six formal committee meetings and two training sessions) and its responsibilities include reviewing and approving the Fund's:

- Governance Policy and Compliance Statement
- Investment Strategy Statement
- Funding Strategy Statement
- Treasury Management Statement
- Quarterly tactical asset allocation
- Other statutory policies required by the Local Government Pension Scheme Regulations and strategy/policy statements in line with best practice

The Committee also receives and considers the Fund's:

- Triennial actuarial valuation report and annual funding reports

- Risk Register

The Committee ensures arrangements are in place for:

The Committee is responsible for appointing the Fund's:

- Actuary
- Independent investment adviser
- External fund managers for segregated mandates in advance of the management of the investment assets transitioning to the investment pool
- AVC providers

To oversee the Fund's involvement in investment pooling, the Committee:

- Determines what is required from the Pool to enable the Fund to deliver its Investment Strategy.
- Is responsible for the selection, appointment and dismissal of an investment pooling operator (the Operator) to manage the Fund's assets.
- Monitors the performance and effectiveness of the Operator both as a shareholder in the Operator and as an investor in the Operator's products.
- Ensures that appropriate measures are in place to monitor and report on the ongoing costs and cost savings of investment pooling.
- Ensures that the responsible investment, corporate governance and voting policies of the Fund are delivered effectively.
- Receives and considers reports and recommendations from the Pool's Joint Committee, Shareholders' Forum and Practitioners' Advisory Forum.

Derbyshire Pension Board

The Public Service Pensions Act 2013 introduced a framework for regulatory oversight by the Pensions Regulator and introduced a new governance structure for the LGPS which came into effect in April 2015 and included the requirement for administering authorities to establish Local Pension Boards.

Derbyshire Pension Board (the Board) consists of two Scheme Member representatives and two Scheme Employer representatives together with a non-voting Independent Chair.

Officers of the Council attend Pension Board meetings to provide advice and support to members of the Board.

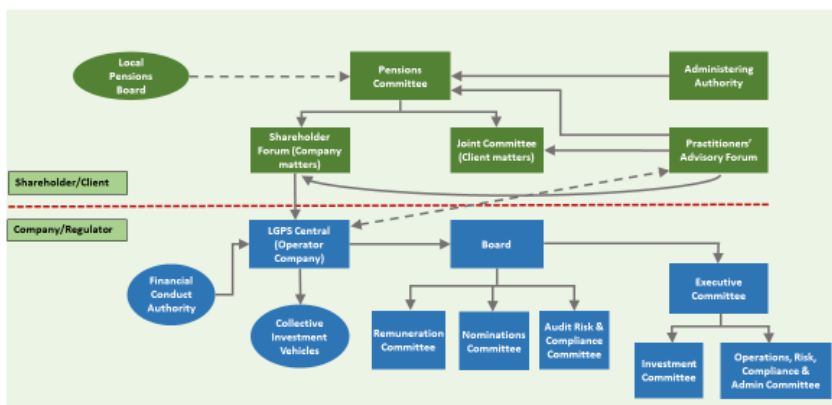

The role of the Pension Board is to assist the administering authority to ensure the effective and efficient governance and administration of the LGPS, including:

- Securing compliance with the LGPS Regulations and any other legislation relating to the governance and administration of the Scheme
- Securing compliance with any requirements imposed by the Pensions Regulator in relation to the Scheme

LGPS Central Pool

Derbyshire Pension Fund has partnered with the LGPS pension funds of Cheshire, Leicestershire, Nottinghamshire, Shropshire, Staffordshire, Worcestershire and West Midlands to form a collective investment pool, known as LGPS Central (the Pool), in accordance with Government requirements for the pooling of LGPS investment assets.

LGPS Governance Arrangements

The governance arrangements of the Pool include the following bodies:

Joint Committee: to provide oversight of the delivery of the objectives of the Pool, the delivery of client service, the delivery against the LGPS Central business case and to deal with common investor issues. The Joint Committee provides assistance, guidance and

recommendations to the individual Councils, taking into consideration the conflicting demands and interests of the participants within the Pool. The Joint Committee does not have delegated authority to make binding decisions on behalf of the participating Councils.

Membership of the Joint Committee consists of one elected member from each participating council. The **Chair** of the Pensions and Investments Committee, or his/her nominee, represents Derbyshire County Council on the LGPS Central Joint Committee.

Commented [DK(CaP2)]: Updated for the substitution of the Chair of the Pensions and Investments Committee as the representative on the Joint Committee, approved by full Council 9 October 2019.

Shareholders' Forum: to oversee the operation and performance of LGPS Central Ltd and to represent the ownership rights and interests of the shareholding councils with the LGPS Central Pool. Collective shareholder discussions take place in the Shareholders' Forum and aim to ensure that the Councils act in a unified way in company meetings, having agreed to a common set of principles. Unanimous decisions are required for certain reserved company matters. Shareholder Forum meetings are distinct from LGPS Central Ltd company meetings, however members of the Shareholders' Forum also represent the councils at company meetings.

Membership of the Shareholders' Forum consists of one representative from each shareholding council. The Director of Finance & **ICT**, or his/her nominee, represents Derbyshire County Council at the Shareholders' Forum and at LGPS Central Ltd company meetings, with delegated authority to make decisions on any matter which requires a decision by the shareholders of LGPSC.

Commented [DK(CaP3)]: Updated for the appointment of the Director of Finance & ICT as the Council's Shareholder Representative, approved by full Council 9 October 2019.

Practitioners' Advisory Forum: a working group of officers appointed by the shareholding councils within the Pool to support the delivery of the objectives of the Pool and to provide support for the Pool's Joint Committee and Shareholders' Forum. The Director of Finance and ICT, the Head of Pension Fund and the Investments Manager represent Derbyshire on the Practitioners' Advisory Forum as required. PAF is supported by four individual working groups: Client Oversight & Governance Group; Finance Working Group; Investment Working Group; and Responsible Investment Working Group.

Review and Compliance with Best Practice

This Governance Policy and Compliance Statement will be reviewed annually and will be revised following any material change in the governance arrangements of the Pension Fund.

The 2013 Regulations require Administering Authorities to prepare and publish a statement which sets out the extent to which the governance arrangements of the Fund comply with statutory guidance issued by the Secretary of State which is based on best practice principles. The Fund's statement is set out below:

Compliant The Pensions and Investments Committee is responsible for these functions under the Terms of Reference included in the Council's constitution.

Partially Compliant Membership of the Pensions and Investments Committee includes two representatives from Derby City and two non-voting Trade Union representatives as well as eight representatives from the administering authority (also the largest employing body). Training/Facility Time/Expenses	
That in relation to the way in which statutory and related decisions are taken by the administering authority, there is clear policy on training, facility time and reimbursement of expenses in respect of members involved in the decision making process.	Compliant The Fund has a training policy which applies to all members of the Pensions and Investments Committee and the Pension Board. A training plan has been developed based on self-assessment forms completed by the members of both bodies and a log of all training is maintained. The reimbursement of member expenses is in line with the County Council's policy of member reimbursement.
That where such a policy exists, it applies equally to all members of committees, sub-committees, advisory panels or any other form of secondary forum.	See above.
That the administering authority considers the adoption of annual training plans for committee members and maintains a log of all such training undertaken.	See above.

Compliant All members of the Pensions and Investments Committee (and the Pension Board) have the same access to committee papers, documents and advice to be considered at the Pensions and Investments Committee.
Scope	
That administering authorities have taken steps to bring wider scheme issues within the scope of their governance arrangements.	Compliant The Pensions Committee and the Investments Committee have been combined into the Pensions and Investments Committee which covers all aspects of investment, administration and governance. The Committee is now also supported by the Pension Board which assists with governance and administration matters.
Publicity	
That administering authorities have published details of their governance arrangements in such a way that stakeholders with an interest in the way in which the scheme is governed can express an interest in wanting to be part of those arrangements.	Compliant The Governance Policy and Compliance Statement is published on the Pension Fund's website. Vacancies for Derbyshire Pension Board are advertised on the website.

Commented [DK(CaP6): Amended to reflect the fact that Derbyshire County Council employer matters are no longer considered by the Pensions and Investments Committee.
