

NOTICE OF MOTION – COUNCIL 26 MAY 2021

Motion received from Councillor E Fordham seconded by Councillor S Burfoot

This council notes

1. the widespread ambition to end all single use plastic in Derbyshire, the UK and globally
2. the climate change commitments this authority has made
3. that Buxton Spring can be locally sourced in recycled and recyclable bottles

This council resolves:

1. to source locally, preferably within Derbyshire, when purchasing food, drink and all hospitality
2. to stipulate that such procurement will cease any purchase of non-recycled plastic and to follow this up with 100% recycling of such bottles.
3. to seek to end the procurement of any plastic in this context and to cease the culture of single use plastic water bottles
